### PowerPoint projection

Beggars supply a power point presentation on a USB stick for projection to the rear of the stage.

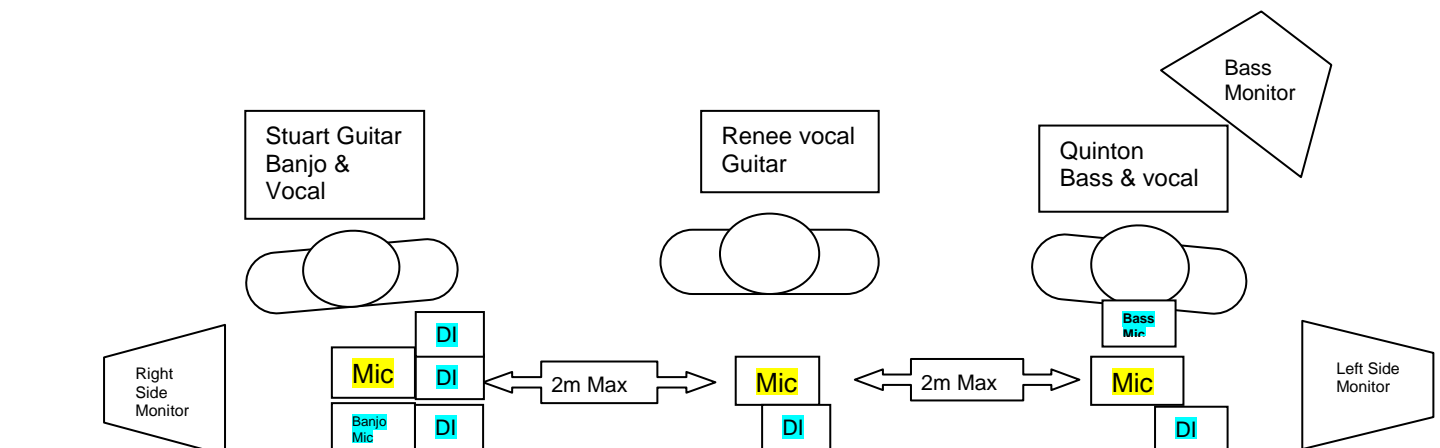

PowerPoint, marketing and tech are downloadable <http://beggars.com.au/beggars-can-be-seekers/>  
Theatre to supply laptop, projector, screen and lighting operator to cue [one slide per song]

### Audio

Theatre to supply all PA and monitors appropriate for the size of the audience, stage and venue. Notes:  
vocal heavy mix. Renees guitar Hi passed and aprox 10db under Stuarts guitar. Monitor mix is similar to front with all vocals at around the same level.

### Light

4 specials and a preference for side light that wont wash out the projected image.
